

Women: Let's Get Gutsy and Get Going

Play a Bigger Game in your life, have a positive impact on the world around you, and leave the legacy you want.

Leadership qualities come naturally to women. Let's talk about such innately female qualities so both sexes can be more successful in their professional and personal lives.

Show/Story Ideas:

"Our world so desperately needs women to own their power and to engage in playing bigger games in a way that is fulfilling and nourishing. Pat helps women do just that."

Pat Obuchowski is the founder of the Gutsy Women Win® movement and the CEO (Chief Empowerment Officer) of inVisionaria, an Executive, Leadership, and Team development and coaching company. She is a trusted advisor to her clients and guides them to achieve their vision on both a professional and personal level. Pat has worked with hundreds of people assisting them in finding and bringing their bigger games into the world.

A certified and credentialed coach, Pat has over 25 years of operational experience in various industries. She has also run two of her own successful businesses.

Pat developed the 10 week "Get Gutsy and Get Going" on-line seminar that helps you get the answers to your why and how life questions. As one participant said, "If you want to get clarity and intentionally say 'yes' to your next step even if you are scared to death, this is the program for you. I'm now inspired to make my life bigger than I ever thought was possible."
